**Subject:** Thank you for protecting NC's water

Dear Gov. Roy A. Cooper III,

I'm writing to thank you for requesting additional information as you evaluate a decision on the water certification for Duke's proposed Atlantic Coast Pipeline.

WOW - thank you! I hope you will do all you can to strongly reconsider this project. These things put extra burdens on the Native Americans, low-income residents, and communities of color that would have had the pipeline forced onto their homes and neighborhoods.

Thank you again for being a leader. Future generations of Americans will thank you, too.

Please keep up the good work.

Sincerely,

Ms. Mary Umstead
